Benefiting **ALL** GOLD members

From the Westview Gold Booster President:

Tournaments, concerts, and mattresses - oh my! Who knew that October could be such an exciting month? Westview Gold is gearing up for a very busy time. The competitive tournament season kicks off at Rancho Bernardo High School on October 7, our orchestra and non-competitive band are preparing for their first concert of the year, and we're all selling mattresses on October 14 & 15. Keep up-to-date on everything with the weekly info sheets and emails from your section parents. They are full of important information.

But the biggest and best is yet to come! The Westview Gold Invitational Tournament is right around the corner, on November 8, 2017, and we need ALL families to participate. You might be asking yourself, "Why should I help if my child isn't in the marching band or color guard?" The reason is actually very simple. This tournament is our biggest fundraiser of the year. It brings in thousands of dollars that go to the entire program.

Did you know that we have to pay an entrance fee for every competition or festival we attend? Or that the high level of music our students use costs hundreds of dollars for each piece they play? Westview Gold offers a phenomenal program to our students, but it doesn't come cheaply. So, when the sign-up sheets start coming around to volunteer your time, bake something tasty for the judges, donate to concessions, or just help in some capacity, please eagerly fill your name in. We truly can't do this without you!

GO GOLD!

Advertisers & Sponsors Wanted!

Do you own a business or know someone who does? Year after year, the tournament committee works tirelessly to solicit local businesses' and GOLD families' sponsorships. This support plays an important role in funding the multiple requirements of the GOLD program's excellence. Proceeds benefit **ALL** GOLD groups: Orchestra, Color Guard, and both Non-competitive and Competitive Marching Band. Here's how you can help:

ADVERTISING: If you own a business, consider being a company sponsor. If you know someone who owns a business, please consider talking to them about providing our program with a sponsorship.

TROPHIES: Trophy sponsorships are available at various levels. Your company or family name will be engraved on our custom built trophies, and you can personally present your trophy during our awards ceremony. GOLD section groups may also sponsor trophies.
