

WESTVIEW GOLD BOOSTERS

GOLD INFORMATION & WHERE TO FIND IT

Westview GOLD is a large and ever active organization, with marching season/tournaments in the fall and concert/festival season in the spring. Each has specific student, volunteer, and donation needs, and a significant amount of relevant information is distributed throughout the year. To minimize info-overload, various communication sources are used appropriately as needs arise.

Here's where to find what!

Current GOLD Activities/Needs/Information

1. GOLD Weekly Update

Provides time-critical info/needs and is important to read regularly. Emailed approximately weekly by the VP of Communications.

2. Section/Group Parents and Student Section Leaders

Communicate most marching season matters and are your go-to people re: section-specific info and general GOLD questions (where/what time to meet, what to bring, where/how to obtain/purchase needed items). Student section leaders generally communicate student-specific info directly to their peers via Facebook. Section/Group Parents generally communicate parent-specific info via email.

In Competitive Band, sections are aligned by instrument.

Non-competitive families receive general section info (re: socials, donations, volunteer needs) from their instrumental Section Leaders/Section Parents, but will receive Non-Competitive Band-specific info from their Non-Competitive Student/Parent Representatives.

Orchestra and Colorguard receive all communication from the Student Orchestra President/Orchestra Parent Representative and the Colorguard Captain/Colorguard Parent Representative(s), respectively.

3. GOLD Facebook Groups: (GOLD Facebook page: <https://www.facebook.com/groups/1845883815733482/>)

Provides time sensitive reminders and new general information.

Ensure that you and your child become members of our Facebook page.

Most importantly, Student Section Leaders usually communicate to their sections via their own *instrument-specific* groups--ask your Student Section Leader which Facebook group(s) to join.

4. GOLD Website Calendar Tab:

<http://www.westviewgold.org/calendar>
